Press Release

Strictly Come Dancing star to attend free event for customers at Wicksteed Park.

Local housing association, Greatwell Homes, are holding a free event for all of their customers at Wicksteed Park in order to launch their new name. Vicar of Finedon, BBC Radio 4 presenter and Strictly Come Dancing star Rev Richard Coles is the Patron of Greatwell Homes and will be attending the event.

The event will be held on the 15th April 2019 from 10.30am and will be open to all customers of Greatwell Homes (previously Wellingborough Homes). Snacks and refreshments will be provided and there will be plenty of time for customers and their families to enjoy the rides in the park – there will also be a chance to win some free tickets for the rides. There will be representation from staff and areas across the business so this is the perfect time for customers to ask any questions they have.

Coaches will be provided there and back for those who require it – but it's £3 to park all day for those who want to make their own way there. All customers wanting to attend (whether making their own way there or not) need to book their place.

Those who are interested in the event should either:

- Message them on Facebook - 'Greatwell Homes'
- Email comms@greatwellhomes.org.uk
- Call 01933 234450

They should state their address, how many people they would like to bring, their dietary requirements and whether they require transport. More information on transport will be given once customers have booked their place.
